

Italy's Arcansiel purvey the finest qualities of progressive melodic rock that stand the test of time to triumph infinitely. Their rich production & tasteful performance , highlight compositions that arc to a high plateau of craftsmanship ●

"Swimmer In The Sand" is a majestic orchestrated work of magic. The fittingly titled work of Arcansiel's latest album. Arcansiel combine the best of all worlds musically. Their British & European tinged work cascades like a crazy diamond on the horizon ●

Arcansiel's vocal & instrumental fusions of painted sound , play upon a canvas of the infinite. The fact that their work does not have any semblance of derivative form , further invigorates a listeners senses to artists that are original in synthesis manifestation ●

"Holy Wolf Suite" takes a somber & dramatic twist complimented by excellent electric guitar & Hammond Organ splashes. Arcansiel's music at moments, is sometimes reminiscent of John Wetton's work ●

"Evelyn" shows the diversity of arrangements that Arcansiel conjure up ; This ballad projects a unique formula that divines an original sound projection that is a trademark of Arcansiel's unique musical mission ●

"The End" with it's arching Sax is another atmospheric gem that reminds one of Dark Side Of The Moon era Pink Floyd ●

Arcansiel ability to meld the past giants of Prog-Rock into a hybrid form that defies labels ; Guides this visionary band onwards in assuring it's place in the musical annals of past , present & future triumphs of audio magnitude & classic sonic form ●
